RIGHTEOUSNESS EXALTS A NATION

(PROVERBS 14:34)

The American people are rightfully concerned about the direction of our nation.

In July it was reported by Politico that almost three quarters (73%) of Americans say that the United States is on the wrong track.

A Rasmussen poll found 605 of Americans believe race relations are worse than when President Obama was elected.

Approximately one-third of the entire population of the United States currently has a sexually transmitted disease according to the Center for Disease Control and Pre-

vention. It costs our nation about 16 billion dollars a year to treat sexually transmitted diseases.

The United States has the highest teen pregnancy rate in the industrialized world.

According to the National Center for Missing and Exploited Children, there are 747,408 registered sex offenders in the United States.

In the United States today, more than half of all couples “move in together” before they get married. A startling 38% of children age 5 and under receive welfare benefits.

Just a short part of the Editorial from the Spiritual Sword, page 1, October Issue 2016

P.S. Many of the above statistics are on the rise since 2016. Does this not alarm us as Christians?

Please make **studying God's Word a priority in your life and life of your children.** If we don't live as the Bible teaches, what is to become of US???
