Dear Brethren, Red Hill Church Of Christ,

Greetings to our brothers and sisters in Christ. We thank the God of the heavens and earth in the precious name of our Lord and Savior, for the work we are privileged to do for Him in India.

The new year is off to a good start for the work in India. Steve Gaudreau has just returned from his second trip working with the brethren in 10 cities, traveling thousands of miles to conduct over 20 gospel meetings in about 18 days. Steve visited the farming villages of Bidar, Mogha, and Baroor to the west of Hyderabad for the first time, conducting gospel meetings there as well. The effort of just under three weeks yielded 42 baptisms, two of were a local denominational preacher and his wife.

We purchased and surveyed a new property which will serve as a vegetable garden for the school of preaching (and in the future the lot may become a new building as the school grows) that we targeted to purchase last year next to the Pamidipadu School of Preaching. We also received professional blue prints of new bedrooms on the 2<sup>nd</sup> floor of our guest house there. We conducted two graduation ceremonies, one from the Pamidipadu school of preaching, and one from the Kurnool school of preaching.

The schools of preaching have now begun for the new year. We have a record number of students this year, and included in those numbers are many denomination preachers from the local area. They come to both understand reformation preaching and teaching of the church, as well as coming to learn more about the bible. We anticipate several conversions from the denominational community.

We are currently touring the country visiting supporting congregations, and the supporting brothers and sisters. We have visited several congregations in the northern Virginia area with plans to visit Texas this month, then NC, TN, MS, OK, and Indiana later in the year. The purpose of course is to report to you in person when and where

available, and to seek the funding we need for the coming year's work to be accomplished. Program plans for 2025 are already in work. Mission work is expensive as we all know, so it is important to make sure the budget is sufficient for the work. 3 John 8 encourages us all that when we support the work, we become part of the work.

God has blessed us with many brethren that have joined with us in the work, carrying the burden of the costs of this effort. We thank you for your generous help, and your prayers, without which the work would surely suffer.

Grace and Peace,
