Dear Brethren,

The Churches of Christ Disaster Relief Effort Inc. received check #13323, dated May 1, 2024, in the amount of \$450.00, and it was greatly appreciated. We could not continue the Lord's work without the financial support from you and others.

The states have been hit hard by tornadoes, because of this we have sent supplies to Sulphur, Nebraska and Ardmore, Oklahoma. Supplies have been sent to Belpre, Ohio and Wheeling, West Virginia because of the flooding. Canadian, Texas has received supplies to help their situation due to wildfires. Trucks filled with boxes of food, personal hygiene, infant care, and cleaning supplies, along with new clothing, new shoes, and water, the immediate needs for those who have lost everything. After people can return to their homes, we are able to send appliances, and furniture, to areas that have been damaged by hurricanes, tornadoes, fires, and flooding.

We are enclosing our most recent "Monthly Summary," which shows the locations we have helped this past year. Thank you again for your support and please keep us and those areas we are helping in your prayers as we continue to help those in need.

Yours in Christ,

Mike Lewis
