### MAKING AN IMPRESSION

*“Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity” (1 Timothy 4:12).*

In the highlands of Scotland is an old farmhouse built over four hundred years ago. On the fireplace there is an impression, where a child had placed two fingers. Four hundred years ago a boy or girl left an impression that still remains.

Taking this into consideration it seems that you and I need to be really careful what we do.

Some of the little things that we might do; we think is a little thing, but may be remembered by other people for many years, telling them what sort of person we really are.

You know that we are all leaving impressions every day of our lives, either good or bad, and those things seem to stick in the minds of people that know us.

We might ask ourselves, what sort of impressions we are leaving. That all depends on the sort of person we are.

If we are Christ's, then we should be leaving impressions that will influence others for good and perhaps lead them to happiness, peace and strength in Christ.

Sometimes even the smallest impression, can have a lasting effect.
