Dear Brethren,

Hello from Knoxville, TN and the Southeast Institute of Biblical Studies! We appreciate greatly your kind gift to help us in our work of training preachers. Our students have been involved in quite a bit recently, both in the classroom and in preaching.

We will start the fourth quarter on March 24th and the students will hit the books and study hard. A few weeks ago, they gained some practical experience by participating in an evangelistic campaign at the Cawson St. church in Hopewell, VA. They spent a great deal of time door-knocking and conducting Bible studies.

We want to also invite you to attend our annual lectureship. The **Southeast Institute of Biblical Studies' 50th Annual Lectureship** will be held **April 27-30, 2025** at the Karns church of Christ, in Knoxville, TN. The theme is **Christ's Church: Becoming, Belonging, and Being**. We will have a number of wonderful speakers, including two of our students.

Please remember to encourage men of all ages to consider becoming a preacher. Preachers are not born, they are made. It takes the encouragement of brethren like you to plant the seed in the minds of young, middle-aged, and older men to preach the word. If you know someone, please forward us their information so that we can discuss this wonderful opportunity to learn to preach without any cost to them. Our faculty is always available to share more about what we do, so please schedule Southeast to visit your congregation today!

God bless you and everything you do for His Kingdom and for our work here!

In Christ,

Will Hanstein
Executive Director
