Under the oversight of the elders of the Morrison Church of Christ

February 24, 2025

Dear brethren,

I want to express my gratitude to you for your support of Amerindian Missions. Five years ago, I was asked to take charge of this is good work. I started with nine preachers and no supporters. We now have twenty-two preachers and approximately thirty supporters (churches and individuals). Countless souls have heard the true gospel due to your support.

Based on my doctor's advice and my health issues and my old age it has become necessary for someone younger to carry on the work. Bro. James Pendley has been involved in the work since 2007, and he has a great love for the work. He retired early from Alabama DOT so he could spend more time in Guyana. He and Sunil Joseph will work well together. He has made the same commitment that I made by committing to continuing the great work that the late brother Jerry Davidson began and taught us.

Amerindian Missions will be under the oversight of the elders at the Glencoe Church of Christ in Gadsden, AL.

I pray that you will continue to support this good work and pray for James as he takes over Amerindian Missions. He truly loves the Amerindian brethren and sharing the Gospel message. I have confidence that he will to a great job due to his love for the Lord and the people of Guyana.

In brotherly love and gratitude,

Roger Comstock
